Given the challenging global environment, is the Company consider looking at other countries to market its products?	<p>The Company's subsidiary, Fundwin Sdn Bhd has been supplied car lamps, side steps and other made-to-design accessories products to Toyota Accessories Conversion Service ("J-TACS") through Abdul Latif Jameel Motors ("ALJ") in Saudi.</p> <p>Due to the Pandemic, the Company have re-visited the situation. Staff are conducting video conferencing within the organisation and with clients/suppliers. They are also exploring for new clients overseas but opportunities are limited.</p> <p>The Company has investing more in technology to improve manufacturing efficiencies, quality standards, maintain competitiveness and profitability.</p>
